

### **March 18, 2020**

In light of the Covid19 pandemic, the Kenora Sexual Assault Centre has made the difficult decision to close our office to the public which will also include our daily drop-in for clients. Staff will continue to work from a remote location. All groups and presentations have been cancelled as well as any accompaniment to the hospital or police station by staff or volunteers. Any counselling appointments will be done by phone only. **Our 24-hour crisis line will continue to be available during this time. The number is 807-468-7233 (SAFE) or 1-800-565-161.**

Our main business line (807-468-7958) will be forwarded to one of the staff to answer during business hours. We look forward to continuing to work with you all in any capacity as best we can at this difficult time. Please call the business line if you have any questions.
